

Since 2005, we have been combining strategy competence and implementation strength to achieve success together with our clients, from DAX 40 companies to successful mid-sized companies. Our dynamic corporate organization enables all Interos to actively contribute to our Competence Centers Purchasing, GRC (Governance, Risk and Compliance), IT Financial Management, IT Control and Transformation according to their interests. In this way, we promote individual development and the establishment of a strong network. As an employer, Intero Consulting offers a unique corporate culture where our virtues are practiced and where teamwork and mutual support are central.

We are looking for you to join our team in Munich as soon as possible as

Consultant in an IT-related environment (m/f/d)

Your tasks:

- You take personal responsibility for several sub-projects, including digital transformation projects.
- You develop your own solution proposals and represent your results to well-known customer.
- You identify complex problems by analyzing data, develop creative solutions and present them to the customer in an understandable way.
- You take an active part in shaping the future of Intero within the framework of initiatives according to your individual interests.

Your profile:

- You have completed your studies with above-average grades, your field of study is not decisive.
- You have already gained at least 2 years of professional experience in a consulting environment.
- You are analytically strong, have a high affinity for numbers and like to devise realizable solutions to problems.
- You like to familiarize yourself with different subject areas, have a strong service mentality, impress with your fluent business German language skills and communication skills in a team.

Our offer:

- The opportunity for your professional development within our Competence Centers and an individually coordinated training concept tailored to your strengths and weaknesses.
- A young and trustful corporate culture with regular team activities and offsite events.
- An above-average payment with direct profit-sharing.
- A buddy to help you get started and a mentor for your personal development.
- Encourage your sporting commitment as well as your home office equipment through financial allowances, additional mobility offers (job ticket and job bike) and a company pension scheme.

Are you interested?

Then we look forward to getting to know you soon. Please send your complete application documents to recruiting@intero-consulting.de!
